

## DECLARATION

## PATENT/DESIGN PATENT

As a below-named inventor, I(we) hereby declare that:

My residence, post office address, and citizenship are as stated below next to my name;

I verily believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

A METHOD FOR MEASURING THE DIAMETER OF AN ELONGATED ARTICLE OF A CIRCULAR CROSS SECTION

(Insert invention title)

the specification of which is attached hereto.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to in the declaration.

I acknowledge the duty to disclose all information which is known to be material to patentability of this application in accordance with Title 37, Code of Federal Regulations § 1.56.

I hereby claim foreign priority benefits under Title 35, United States Code, §119, of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed.

Sir:

The undersigned, as authorized representative of Sikora Industrieelektronik GmbH, certifies that Sikora Industrieelektronik GmbH is the assignee of the entire interest in the above-identified patent application pursuant to an assignment from the inventors to Sikora Industrieelektronik GmbH, a copy of which is attached hereto. The undersigned has reviewed all the documents in the chain of title of the patent application and, to the best of undersigned's knowledge and belief, title is in the assignee identified above. The undersigned (whose title is supplied below) further certifies that he is empowered to act on behalf of the assignee.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the patent application.

As assignee of record of the entire interest in the above-identified patent application, all powers of attorney previously given are hereby revoked and the following Kilpatrick Stockton LLP attorneys are hereby appointed to prosecute and transact all business in the U.S. Patent and Trademark Office connected therewith:
